STUDY ABROAD COMMITTEE POLICY STATEMENT

Policy Statement: Program proposals and leaders for short-term, discipline specific programs

Discipline-specific programs shall be proposed and led by University of Colorado at Boulder faculty involved in the instructional program. The Study Abroad Committee will consider a proposal for a short-term program only if the proposer holds appointment (including emeriti) as tenured faculty, tenure-track faculty, instructor, or senior instructor. Proposals from others will not be considered. Furthermore, the program must be supervised at the overseas site by a CU Boulder faculty member who shall also serve as the instructor of record for the offered course.

Approved by the Study Abroad Committee on January 29, 1999 and reaffirmed by the Study Abroad Committee on February 26, 2007.
