SUMMARY OF GLOBAL SEMINAR DIRECTOR RESPONSIBILITIES

In addition to the responsibilities below, you are responsible for knowing all the information and abiding by all the rules and guidelines covered in all Global Seminar Faculty Director workshops, all information listed in your Global Seminar Director Checklist in TDS (including your Director Handbook materials).

**Before the Program**

**Coordinate with Education Abroad (EA)**
- Determine the eligibility requirements and program dates
- Work with EA to develop a program budget and fee
- If you need a program assistant, go through the hiring process with EA
- Attend Faculty Director Workshops (on topics such as recruitment, health & safety, and accounting)
- Review applications, interview and select students
- Prepare and hold pre-departure orientation (and classes if applicable) on campus

**Academics**
- Make sure the needed course approvals have been obtained (or are up-to-date)
- Oversee course activation with the EA registrar
- Update/finalize course syllabus
- Plan for the FCQ process with your department’s FCQ coordinator

**Outreach**
- Publicize the program to students, with the assistance of the EA Outreach Coordinator
- Do class visits, departmental presentations, hold info sessions, send emails, post online, etc. to recruit students for the program

**Materials**
- Create/edit the program brochure, webpage, and info session presentation
- Create/edit the student handbook materials in conjunction with the program manager

**CU Policy Requirements**
- Complete pre-departure items online in your online Global Seminar Director Checklist (including any required trainings, such as the CU Boulder Discrimination & Sexual Misconduct training and Clery Act Campus Security Authority training)
- Review health and safety resources in the Director Handbook to inform yourself of important issues (related to health insurance, mental health issues, alcohol misuse, and location-specific concerns)

**Logistics**
- Plan ahead to ensure that your program is inclusive for all student needs
- Finalize and submit daily schedule
- Finalize the daily schedule and list of logistical needs in coordination with on-site provider
- Work with your cell phone provider to ensure you will have international calling capabilities while abroad
- Consult with the EA finance team before booking your flights with Christopherson, and remember that you must arrive on-site two days before the student arrival date

**During the Program**

**Coordinate with Education Abroad (EA)**
- Communicate regularly with EA (including confirmation of the group’s safe arrival on the first day, and alerting EA to any on-site incidents)
- Send any missing student cell phone numbers to EA within the first 48 hours of the program

**Academics**
- Teach the course!

**Student Support**
- Meet briefly (i.e. for coffee) with each student early in the program to check on how they’re adjusting
- Provide academic and personal counseling/assistance to students as needed
- Help students engage with the host culture by providing intercultural learning opportunities/suggestions
- Manage behavior problems by following the Progressive Disciplinary Process for Faculty-Led Programs

**Logistics**
- Maintain the planned itinerary for the program and avoid making changes on-site; if a change must be made (due to a transportation strike, for example), alert EA as soon as possible, before the event occurs
- Coordinate with on-site provider(s) on a daily basis
- Attend all program activities, field trips, visits, etc.

**Health & Safety**
- Provide on-site orientation with the on-site provider within 24 hours of students’ arrival, with a review of emergency plan and card
- Discuss medical emergency plan with provider
- Be available for emergencies 24/7 by staying in the program city for the duration of the program
- Follow best practices in safety planning
- Manage health and safety emergencies, in accordance with all CU policies, including the Discrimination and Sexual Misconduct Policy and Procedures
- Never distribute medication to students
- Be the representative of the university

**Financial**
- Manage program funds and keep receipts/logs in compliance with state & institutional financial guidelines

**After the Program**

**Coordinate with Education Abroad (EA)**
- Meet with the EA finance team to submit receipts and reconcile expenses
- Complete post-program items online in your Global Seminar Director Checklist in TDS (including any Incident Reports, if applicable, and your Director Report, which is very important to submit in a timely fashion as it assists in ensuring program quality and planning for future years)
- Review your Director’s Report with your program manager and the Director of Global Seminars; discuss problem areas and possible solutions; make suggestions for improvements to the program
- Review student evaluations (and remind students to submit evaluations if needed)

**Academics**
- Submit student grades

**Student Support**
- Keep in touch with students: provide support for their readjustment back home, encourage them to use the interests and skills they gained abroad, hold a program reunion a few months after return

**Logistics**
- Start recruiting and planning for the following year

An essential duty is acting as a resource to students who need assistance with personal, emotional, financial and health problems that may arise abroad. You will act as a liaison between students and the appropriate local agencies that provide assistance in these areas. You should monitor the students’ progress and make sure students are attending lectures and visits, doing their assignments, and adjusting to their new environment.
**Program Director Timeline (for summer programs)**

**Throughout The Year**
- Stay informed on current events in the host country to anticipate any potential concerns for the following summer (upcoming elections, financial crisis, civil unrest)

**Summer**
- Run program!
- Reserve housing and other on-site reservations for the following summer, if applicable
- Draft end-of-program Director Report
- The finance team will be in touch with you soon upon your return to set up a meeting for submitting your accounting records and receipts, which must be done within two weeks of your return
- Turn in grades when complete

**August/September**
- Grade final assignments and turn in grades if still outstanding
- Let the EA Registrar know the person in your department who sets up courses in CU-SIS
- Finalize Director Report and submit to EA by August 20
- Meet with EA to review Director Report and plan for next year
- Update marketing materials (info session presentation, photos, website, and brochure)
- Schedule info session with EA outreach coordinator
- Conduct class visits, send emails to students and colleagues
- New directors: attend director workshop on recruiting and admissions
- Finalize budget information (including dates, detailed list of visits and services) by September 1 so EA can contact on-site provider for next year’s budget
- Update your syllabus and submit to your program manager
- Complete items online in your Global Seminar Director Checklist in TDS

**October**
- Make all housing and other reservation for next year (if you handle this task for your program)
- Work on budget with EA (if possible, set program fee before your info session)
- Hold info session
- Continue class visits throughout the month; send emails to students and colleagues
- Submit any grades still outstanding by the end of the month
- If applicable, select program assistant for your program -- update job description, do a job search, forward name of recommended candidate to EA for the interview, job offer and contract
- Start reviewing student applications online and interviewing applicants
