

The Top Ten MOST AFFORDABLE Study Abroad Programs

Monterrey, Mexico You don't have to cross an ocean to study abroad or improve your Spanish! Experience authentic Mexico while studying at a top-rated university. Find courses in nearly every major and take advantage of great volunteer opportunities in the Monterrey community. No language pre-requisite.

Guadalajara, Mexico Improve your Spanish on one of CU's most affordable semester programs. Take advantage of the many opportunities to immerse yourself in local Mexican culture through a homestay and extracurricular activities, including excursions, cooking classes, folkloric dance and guitar lessons. No language pre-requisite.

Lancaster, England Earn high marks at Lancaster University! Study alongside local British students as well as international students. Academic strengths include business, religious studies, studio arts, political science, environmental studies, and women and gender studies. Close to England's Lake District with its many outdoor activities.

Turkey Live and study in a country that is sometimes considered a synthesis of "East" and "West." Explore Turkey's rich history and traditions and be a first-hand witness to its rapid social transformation. Experience all this while attending classes with Turkish students at an English-speaking university.

San José, Costa Rica Enroll directly at Costa Rica's main university, the Universidad de Costa Rica in San José. Immerse yourself in the language and culture of Costa Rica by living with a host family and engaging in extracurricular activities. A wonderful opportunity to work on your Spanish fluency! Spanish 3000 required.

Akita, Japan Study Global Business and Global Studies in English alongside Japanese peers. Experience Japanese culture through a variety of social activities and festivals. Explore one of Japan's most beautiful natural areas, known for its hiking and skiing. All this for less than \$13,000! No language pre-requisite.

Sweden Attend a world-renowned university for an academic year or spring semester in Uppsala! You will be housed in one of the university's Student Nations—a social club that offers social and sporting activities as well as a direct link to Swedish life! No knowledge of Swedish is required.

Egypt Study in Cairo—the cultural capital of the Arabic-speaking world, located at the ancient crossroads between Africa, Europe, and Asia. Directly enroll in classes taught in English at the American University in Cairo. You will have the opportunity to take courses from world-renowned professors and visiting scholars.

Nanjing, China Improve your Chinese language skills while living and studying in Nanjing, a city that prides itself on maintaining a traditional Chinese city atmosphere. The CIEE Study Center at Nanjing University focuses on developing Mandarin Chinese communication skills and exploring contemporary Chinese society and culture. 2-6 semesters of college-level Mandarin Chinese are required.

Wollongong, Australia Experience Aussie culture while living on the Leisure Coast only an hour from Sydney. The University of Wollongong offers a wide array of courses, including Engineering and Integrative Physiology. This is one of the most affordable programs in Australia, yet also one of the best!
