

Independent Travel Form

I understand that, prior to commencement of any travel during the program dates, I must inform my group leader of any travel outside of the city hosting my program. I understand that I am solely responsible for all independent travel throughout the duration of the program. I have read and will read the current public updates (U.S. State Department, World Health Organization, etc.) about the health and safety situation in the country or countries to which I will travel. I understand CU Boulder strongly discourages independent travel to destinations with Level 3 or 4 U.S. State Department Travel Advisory, unless an appeal has been granted by the campus International Risk Committee prior to my departure. If an appeal has been granted, I must comply with all conditions and restrictions of the appeal.

I confirm that I have discussed my plans with my parent or guardian and have consulted home school policies. I understand that CU Boulder may be unable to intervene or assist on my behalf once I have left the program site. In certain locations, I understand that CU Boulder may not be able to render any assistance whatsoever.

As part of my decision to travel, I will submit an Independent Travel form (see below) with the travel itinerary and contact information to my group leader prior to departure from the program site. My group leader will let me know if the form needs to be submitted on paper or by email for my program. All independent travel must be done at a time that does not conflict with the program or any required program activities. I understand that I must follow any specific travel guidelines set by my group leader and/or Education Abroad at CU Boulder.
