“Country of Permanent Residence” means a country or location in which the Covered Person maintains a primary permanent residence.

“Covered Accident” means an accident that occurs while coverage is in force for a Covered Person and results directly and independently of all other causes in a loss or injury covered by the Policy for which benefits are payable.

“Covered Activity” means any activity in which a Covered Person must be engaged when a Covered Accident occurs in order to be eligible for benefits under the Policy. These Covered Activities are listed in the Schedule of Benefits and described in the Hazards section of the Policy.

“Covered Expenses” means expenses actually incurred by or on behalf of a Covered Person for treatment, services and supplies covered by the Policy. Coverage under the Participating Organization’s Policy must remain continuously in force from the date of the Covered Accident or Sickness until the date treatment, services or supplies are received for them to be a Covered Expense. A Covered Expense is deemed to be incurred on the date such treatment, service or supply, that gave rise to the expense or the charge, was rendered or obtained.

“Covered Loss” or “Covered Losses” means an accidental death, dismemberment, or other injury covered under the Policy.

“Covered Person” means any eligible person, including Dependents if eligible for coverage under the Policy, for whom the required premium is paid. If the cost for this insurance is paid for by the Participating Organization, individual applications are not required for an eligible person to be a Covered Person.

“Deductible” means the dollar amount of Covered Expenses that must be incurred as an out-of-pocket expense by each Covered Person per Covered Accident or Sickness basis before Medical Expense Benefits and/or other Additional Benefits paid on an expense incurred basis are payable under the Policy.

A Dependent may also include any person related to the Insured by blood or marriage and for whom the Insured is allowed a deduction under the Internal Revenue Code.

Insurance will continue for any Dependent child who reaches the age limit and continues to meet the following conditions: 1) the child is handicapped, 2) is not capable of self-support and 3) depends mainly on the Insured for support and maintenance. The Insured must send Us satisfactory proof that the child meets these conditions, when requested. We will not ask for proof more than once a year.

**Claims Provisions**

**Notice Of Claim:** A claimant must give Us or Our authorized representative written (or authorized electronic or telephonic) notice of claim within 90 days after any loss covered by the Policy occurs. If notice cannot be given within that time, it must be given as soon as reasonably possible. This notice should identify the Covered Person and the Policy Number.

**Claim Forms:** Upon receiving written notice of claim, We will send claim forms to the claimant within 15 days. If We do not furnish such claim forms, the claimant will satisfy the requirements of written proof of loss by sending the written (or authorized electronic or telephonic) proof as shown below. The proof must describe the occurrence, extent, and nature of the loss.

**Proof Of Loss:** Written (or authorized electronic or telephonic) proof of loss must be sent to the agent authorized to receive it. Written (or authorized electronic or telephonic) proof must be given within 90 days after the date of loss. If it cannot be provided within that time, it should be sent as soon as reasonably possible. In no event, except in the absence of legal capacity, should proof of loss be sent later than one year from the time proof is otherwise required.

**Claimant Cooperation Provision:** Failure of a claimant to cooperate with Us in the administration of a claim may result in the termination of a claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

**Time Payment Of Claims:** Any benefits due will be paid when We receive written (or authorized electronic or telephonic) proof of loss.

**Payment Of Claims:** If the Insured dies, any death benefits or other benefits unpaid at the time of the Insured's death will be paid to the beneficiary. If no beneficiary is on record with Us or Our authorized agent, payment will be made to the Insured's estate.

All other benefits will be paid to the Insured. If the Insured is: (1) a minor; or (2) in Our opinion unable to give a valid release because of incompetence, We may pay any amount due to a parent, guardian, or other person actually supporting him or her. Any payment made in good faith will end Our liability to the extent of the payment.

If a Covered Loss is suffered by a Covered Person who resides outside of the United States, its territories and possessions and in a Country where the Company is not permitted to provide insurance without a License, the Company will pay benefits under the Policy to the Policyholder, who:

1. will hold such payment in trust for the sole use and benefit of the insured person or his or her beneficiary or other person to whom such benefits are payable ("Payee"); and
2. will remit such payment to the Payee in accordance with applicable law.

Any such payment the Company makes to the Policyholder is a full discharge of the Company's liability for the claim for which payment is made.

“License” or “Licensed” means with respect to any Country, authorized or otherwise permitted in accordance with applicable law to conduct the business of accident and sickness insurance in such Country.

**Beneficiary:** The Insured may designate a beneficiary for Accidental Death Benefits, if any. The Insured has the right to change the beneficiary at any time by written (or electronic and telephonic) notice. If the Insured is a minor, his or her parent or guardian may exercise this right for him or her. The change will be effective when We or Our authorized agent receive it. When received, the effective date is the date the notice was signed. We are not liable for any payments made before the change was received. We cannot attest to the validity of a change.

The Insured is the beneficiary for any covered Dependent.

**Assignment:** We may pay benefits directly to any Hospital or person rendering covered services, unless the Covered Person requests otherwise in writing no later than the time he or she submits written proof of loss. Any payment made in good faith will end our liability to the extent of the payment.

**Physical Examinations And Autopsy:** We have the right to have a Doctor of Our choice examine the Covered Person as often as is reasonably necessary. This section applies when a claim is pending or while benefits are being paid. We also have the right to request an autopsy in the case of death, unless the law forbids it. We will pay the cost of the examination or autopsy.
