STEP 4: Send your transcript from your education abroad program to the CU Boulder Office of Admissions (once your program is complete)

STEP 5: Submit courses for A&S general education credit*

It is university policy that the College of Arts & Sciences will not pre-review courses that are taken on a non-approved education abroad program for A&S general education (gen ed) credit. You must first complete your program and submit your transcript to Admissions before you can request review of the classes to count for A&S general education requirements. Once you have done this, use the link below to begin the request:

<http://www.colorado.edu/artsandsciencetransfer/transfer-credit-review-request>

DO NOT SUBMIT THE COURSES UNTIL YOUR PROGRAM IS COMPLETE AND ADMISSIONS HAS APPROVED YOUR CREDIT. If Admissions does not approve your credit do not complete this step.

*Note: You may skip step 5 if you are not looking to have any A&S general education courses fulfilled on your program.

- I will not be earning A&S general education credit abroad.

Things to keep in mind:

- You should also keep records of all work completed abroad to document what was covered in your courses.
- If you end up taking different courses than what your academic advisor approved, you should be in touch with your advisor while you are abroad to ensure the new courses will count for credit, and which requirements they will fulfill.
